25 March 2022

Dear Families,

We are writing at the end of the week to update you on our staffing situation as we look ahead to Monday.

We are pleased to report that, overall, our staffing situation is improving with some staff able to return. As it stands, we are glad to be in a position whereby we can have all year groups back in school on Monday.

It is, however, important to highlight that we are using our full staff capacity to achieve this. We remain vulnerable if further staff absence is recorded and, as such, are keeping the situation under close review. Please keep an eye on communications over the weekend, in case anything needs to change.

That said, we are confident at this time to be able to plan for full provision on Monday.

	<b>Monday (Confirmed)</b>	<i>Tuesday (TBC)</i>
In School:	Years 7, 8, 9, 10, 11	Years 7, 8, 9, 10, 11
At Home:	<b><u>None</u></b>	<i>None</i>

We want to take this opportunity to thank all families for their support and adaptability this week. We would also like to thank our staff team, many of whom have been required to cover classes outside of their subject specialism, and cover their colleagues' wider supervisory duties. The team work, which includes the contribution of families and students as well as staff, has brought us to a place of positivity at the end of what has been a challenging week.

Your sincerely,

The Senior Leadership Team
