

Hello Everyone,

We have been having so much fun playing and learning in Reception and Nursery this half term. We have been learning about minibeasts, and have loved playing with our new learning toys in the garden! We have been building dens, and playing with sand and water, and getting imaginative with our role play!

We have really enjoyed having Tiny Tales - Storytellers from the Theatre Royal - with us every Wednesday. This week they have been telling the story of 'The Queen's Hat', ready to celebrate the Queen's Jubilee. They will be coming every Wednesday until the end of the year, and we have really enjoyed retelling the stories in school!

We also had Bikeability in Reception this half term, and the children were fantastic on the balance bikes, they loved every minute and were able to talk brilliantly about how to be safe on their bikes, thank you to Jez for coming.

We loved having families and carers coming to join us this Wednesday for joining us for jubilee celebrations and with our crown making competition this week. It was wonderful to have Nursery and Reception children and their families together in the reception garden to play in the sun, and share treats and healthy fruit skewers. Well done to Noah and his Mum Demi, who won a prize for the snazziest crown!

Have a fantastic and safe half term everyone,

We look forward to seeing you after the holidays.

Rosie and the Early Years Team.
