To: All Reach South Academy Trust Staff  
From: The Chairman, Marcus Agius

I am writing on behalf of all the Trustees at Reach South to say a heartfelt thank you for the remarkable efforts you are making to keep our children safe and well educated in these completely unprecedented times.

We are in the middle of a national emergency and your efforts are crucial if we are to keep our front-line colleagues in the NHS and other key services able to carry out their essential work. This will require an exceptional contribution from you and your other Reach South colleagues, so it is wonderful to hear from Dean Ashton and his Senior Leadership Team that your response has been outstanding.

Covid-19 is affecting everyone's lives but it is vital to ensure that our children are disadvantaged as little as possible. I just wanted you to know that your contributions - individually and collectively - are hugely appreciated and valued at this difficult and challenging time.

With my best wishes

Marcus Agius
