DO:

Choose courses you know you will enjoy

Choose courses you are interested in

THINK VERY CAREFULLY about the subjects you choose. It is very difficult indeed to change course once you have started.

DONT:

Choose a course simply because your friends have

Allow either a like or a dislike of particular teachers to influence your choice

Make your decision without thinking carefully about your options

Drop any subject you may want to study after Year 10

Drop any subject you may require for entry to a particular occupation or course of further study
